

## Call for submissions

### Competition

As part of the sustainability initiative, WasserCluster Lunz is organising an ideas competition for all employees, students and friends of WasserCluster (WasserCluster community). Everyone should be encouraged to rethink, reinterpret and redesign sustainable actions in their daily work and daily life. The competition is intended to consciously bring everyday situations into focus and create more awareness in the sense of the sustainability goals of the United Nations.

### Topic: Saving energy

The focus of the idea development should be on the topic of "saving energy".

### Task

We are looking for ideas, measures or actions, which can be used at the WasserCluster to promote awareness of energy-saving behavior among employees and guests. There are no limits to creativity. The exploration of the topic can be reflected, e.g., as a meme, comic, cartoon, poster, sticker, sketch, etc. The idea (the meme, comic, ...) shall be presented on a poster. The way the idea shall be applied must be comprehensible.

### Participation

All employees, students and friends of the WCL are eligible to participate. Cooperation with colleagues is encouraged.

## **Submission documents**

### **A poster (Din A2 or A3) / rolled**

The poster must contain all the information and descriptions necessary for understanding the idea. The poster design is freely selectable. A code or alias name (pseudonym, artist's name) of the author(s) should be displayed legibly at the top of the poster.

### **Names of the author(s)**

A folded piece of paper with the code/alias name and the real name(s) of the author(s) for later assignment.

## **Submission criteria**

The documents must be submitted completely as described. Each entry may only be submitted once and each participant can submit more than one entry. The submission must be anonymous and on time.

## **Submission**

By Wednesday, 15th February 2023 at the latest at the secretary / 09:00.

## **Exhibition and award ceremony**

All entries will be exhibited in the seminar room (WCL) after submission until 27th February 2023.

Visitors to the exhibition are invited to vote for the best entries with a ballot paper. The winners will be chosen on 1st March 2023 and will receive prizes. The best ideas will also be published on the WasserCluster website.

## **Prizes**

1st prize: 60 € SODEXO vouchers

2nd prize: 40 € SODEXO vouchers

3rd prize: 20 € SODEXO vouchers
